I will be sending out a memo in August to ask for volunteers to contact past members and inviting them to our Christmas Social.

We need to update addresses for our past members and send out special invitations for them this fall with an RSVP.

From Jackie:

With much appreciation to DKG sisters for supporting our team. We have several retired and active teachers on our great team.

How Can We Help Educator?

Do we want to each select someone from the district to help during the 2021-2022 school year?

These are great ideas brain stormed by Joann Zigler, Terri Daly-Mack and Priscilla Thibodeau

Ideas for adopting a school:

1. Contact the teacher and say I'll be available ____ day let's meet after school or at coffee shop of choice...and bring your calendar" I want to pick one or two days to meet at your school bring a basket of things I can prep for you.
2. Supply them with occasional office supplies: POST-ITS and Sharpies and DRY ERASE MATERIALS/ MINI boards etc.are A BIG ONES ! (Anything we spend oodles at Office Depot/Max or Dollar Store to purchase!)
3. A 5-10\$ gift card in a plastic Visa-style-open card to do on-line ordering with Teachers Pay Teachers. (some are free, but some a minimal cost).

Let's make DKG "honoring someone labels"

Let's discuss this more at our August Get Together

Program Committee met July 2nd at Java Vino

It was a great meeting of the minds with Joann Zigler, Cyndy Schaper, Mary Wetterling, Priscilla Thibodeau and Barb Albrechtson

We will be meeting again to finalize the program on August 13th and to add charities we will be supporting in our community.

Everyone is invited to attend this upcoming meeting. It will be at Java Vino at 10:00 a.m.

It looks to be an outstanding year for programs and meetings.

Our first meeting will be at the International/Friendship Gardens with a walk through the garden and lunch to be announced Tuesday August 24th at 11:30.

We'll have a plant exchange for those who would like to participate.
